

Carol Heywood-Babrauskas, author of **Passionate Pinky and the Evolutionary Experiment**

Topics for Speaking Engagements

1. **Earth's evolutionary path** – Carol's open third eye allows her to observe electromagnetic energies and gives her a front row seat to view evolution in action. She vividly explains planetary workings in a way that inspires hope and releases fear about Earth's future.
2. **How to live the high-vibe life** – Earth is moving up to a higher frequency aka ascending, we must raise our own vibratory rate if we want to keep up with her. Carol will share a number of ways to raise the rates of all 4 of our bodies – all simple and very doable.
3. **Fanning the creative spark** - A creative way of life is a very helpful tool in coping with the degree of change that we are in the midst of. Yes, things are drastically changing and we need to learn to adapt to what is by accessing the divine resource of creativity. Carol can offer anything from a one hour talk on the benefits of creativity, to a week long hands-on creativity workshop in Yelapa, Mexico. She especially enjoys a weekend format that allows participants to get the creative juices flowing and create from the many arts and crafts supplies she provides.
4. **Unlocking your inner myth through Self Love** – Carol's relationships with her inner family, with whom she interacts constantly, are her most treasured things in her life. Self Love is the key that unlocks the door to the innermost chamber of the heart and reveals the sacred script of your ideal unique, personal myth played out in the playground of the gods that lies within you. Carol testifies that the romance, love, and even sex with beings in her inner family allows her to be complete within herself without the need to seek anything for the purpose of being fulfilled. She hopes to motivate participants to turn within to discover their own unique inner myth along with peace that surpasses understanding, and she will discuss ways to facilitate that.
5. **The physics of Christ** – Christ is a specific energy that Carol knows very well and can explain like no one else can.
6. **The return of the feminine – Thank the goddess!** – Carol has witnessed the pendulum swinging into the female dominance part of this cycle on its way to the place where it will settle in a new place of balance between male and female. But right now there is an influx of feminine energies that Carol can describe and inform how to make the most of this newly available resource.
7. **The dance of relationships** – What happens to relationships in a world where we find our satisfaction within?
8. **Considering previously unknown possibilities** – Change is so fundamental these days, it is necessary to break old thinking patterns that were based on the way things used to be in order to be open to the new ways of the new higher cycle. Staying in the moment is an effective tool for accessing the adaptive skills of the universe and Carol shares some tips on how to do that.
9. **What is all this 2012 hubub about?** – Carol's expanded vision offers a unique view of the evolution of consciousness on Earth, which is what is depicted in the Mayan Calendar. She can clearly see that we have indeed come to the end of a major cycle on Earth, but she can also report that we have started into the transition of a new one. She assures that this is not the end of the world, just the end of the world as we have known it. And she sees that Love prevails in the place we are headed.
